

Prodigy™

Workforce management, affordably

Prodigy™ — ideal blend of performance, function, style, and affordability designed for essential workforce management functionality.

Prodigy is for those who demand a rich suite of features at an affordable price: Web services, customizable function keys, optional biometrics, smartcards, and more!

Biometric options protect employees' personal information and eliminate costly buddy-punching.

Prodigy™ features include:

- Internet appliance
- On-board and remote diagnostics
- Biometric options for increased personal security
- Programmable function keys
- Ergonomic design with angled card slot
- Works in WAN and LAN environments
- Optional GSM/GPRS modem
- Optional power-over-Ethernet module
